## Dear Parents/Carers

Another wet week has flown by! I have enjoyed meeting a few more parents this week. The children have been testing me on their names - I am getting there!

The children have been enjoying their new topics. Class 3 have been writing some super descriptions based on a spooky film, and they are enjoying amazing us with their facts on the solar system. Things got messy in Class 3 as they created some great volcanic eruption pictures using pastels and learned about liquids and solids in science! Class 1 have been learning all about things that hoot in the night - they have created some lovely owls.

We would love to have a couple more volunteers in school to listen to the children read. Please pop into the office if you could spare a little time. Daily practise is so important - especially for those just starting to grapple with reading so any help is gratefully received.

Thank you to the HSFA for organising and running the Top Trumps tournament - it is certainly generating much interest and excitement.
