

Be able to change money up to £20.

Remember

£1 and £2 coins are used in everyday purchases.

These are also used :-

a £5 note is worth the same as FIVE pound coins  
 a £10 note is worth the same as TWO £5 notes  
 a £20 note is worth the same as TWO £10 notes.

Exercise 2

1. How many £1 coins will I get for :-

- a two £5 notes
- b three £5 notes
- c one £5 note and a £10 note
- d four £2 coins ?

2. How many £5 notes will I get for :-

- a two £10 notes
- b one £10 and five £1 coins
- c ten £2 coins
- d one £10 and five £2 coins ?
