<p>Task 1 <u>Read the story of 'Elves and the Shoemaker'</u> <i>Answer these questions using full sentences</i></p> <p>Why were the shoemaker and his wife so sad at the beginning of the story? What did the elves do on the first night? How did the shoemaker and his wife find out about the elves? How did the shoemaker and his wife repay their kindness? How did the shoemaker and his wife's lives change by the end of the story? Where do you think the elves went next? Super neat writer!</p>

<p>Task 3 <u>The Naughty Elf</u> Some elves, like in the shoemaker story, are good and kind BUT there are some mischievous ones. Write a short story about a naughty elf who came to your house and secretly did some naughty things... Did he put salt on your toothbrush? Did he jump on your bed making it untidy? Did he hide your knives and forks? Where did he put them? You are great at writing stories!</p>	
<p>Task 4 <u>Design an amazing pair of shoes</u> <i>(you need a big piece of paper)</i> Pretend you are a Shoemaker. Think of the most amazing pair of shoes you can design. Are they travelling shoes? Have they got wings that come out when you press a button? Have they got springs beneath that let the wearer spring along? Boing! Boing! Boing! Do they have 'go fast' wheels? Do your shoes have special colours or decoration? Have fun designing these. Well done, perhaps you will be a shoe designer one day.</p>	
<p>Task 5 Label your design and describe your shoes. Top Tip: Cinderella and Sleeping Beauty texts next week.</p>
