

Annabel Answer

- Annabel Answer has made a computer program. It answers questions, but it loses the questions.
- Write a question for each answer.

Questions	Answers
1. _____	1. Six
2. _____	2. 25th
_____	December
3. _____	3. Brown
4. _____	4. Annabel
5. _____	5. A lamb
6. _____	6. January
_____	7. Tuesday
7. _____	

- Write the answers as sentences.
- Write a different question for four of the answers.

Teachers' note Prepare some simple questions and one-word answers and read out the answers. Ask the children to think of a question which could give that answer. Invite one of them to write it for the others to see: did he or she include a question mark?
