

## PE and Sports Premium Funding 2014-15

The PE and Sport Premium funding is given to primary schools across England to help them improve the quality and breadth of the PE and sport activities they offer their pupils. They are free to determine how best to use this funding to increase participation in PE and sport so that children can develop healthy lifestyles and reach the performance levels of which they are capable.

For the financial year 2014 – 15, Hyde C.E. Primary School received £8,042. This was used as follows:

Use of Funding 2014-15	Actual Cost
Continuing Professional Development (CPD) for staff: <ul style="list-style-type: none"> <li>• Staff training in Real PE – completion of training from previous year and training for new staff</li> </ul>	£950.00
Membership of New Forest Schools' Sports Partnership (including competitions and access to staff training for Real PE)	£1546.00
Membership of Burgate Schools' Sports Partnership (including Young Ambassadors' training, Cluster Mini Olympics and competitions)	£500.00
Hire of sports facilities for PE lessons – Hyde Hall	£983.20
Transport costs to PE lessons at Hyde Hall	£2350.00
Fixtures – transport costs	£85.06
<b>Total expenditure</b>	<b>£6,414.26</b>
<b>Carry forward to 2015 – 16</b> (to be used towards swimming costs)	<b>£1,627.74</b>

### Impact of the funding:

1. CPD for new teaching staff to deliver 'Real PE'
2. Membership of the New Forest Schools Sports Partnership and the Burgate School Sports Partnership has enabled pupils to participate in the following inter-school competitions:
  - Cross Country competitions, for all pupils in Key Stages 1 and 2, (100% participation in each Key Stage).
  - Tag Rugby competitions for all pupils in Key Stage 2, (100% participation)
  - Sports Hall Athletics for pupils in Key Stage 2
  - Mini Olympics event for all pupils in Early Years and Key Stages 1 and 2, (100% participation)
  - Small schools' football tournament

This year all pupils in Years 1 – 6 have taken part in at least two inter-school competitions as a result of our membership of the NFSSP and Burgate School partnerships.
