There was a princess long ago, long ago...
 The princess lived in a big high tower, a big high tower
 She pricked her finger with a pin, with a pin....
 She fell asleep for a hundred years, a hundred years...
 A great big forest grew around, grew around ...
 A handsome prince came galloping by, galloping by...
 He cut the tress down one by one, one by one ...
 He took the princess by the hand, by the hand...
 And so they all lived happily, happily, happily,
 Long, long ago.

Draw a story pathway showing each part of the story and label it.
