WALT: To sort numbers in a Venn diagram

Multiples
of 9

Odd
numbers

9	12	63	83	72	34	81	90	25	27	16	18	94	99	73	63	55	45
---	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----	----

WALT: To sort numbers in a Venn diagram

Create a criteria of you own! For example; can you find out which children like apples and/or chocolate in our class?
