1p

• Write how you would pay for something which costs

72p     50p + 20p + 2p

56p     \_\_\_\_\_

33p     \_\_\_\_\_

67p     \_\_\_\_\_

88p     \_\_\_\_\_

£1.10     \_\_\_\_\_

£2.30     \_\_\_\_\_

£3.01     \_\_\_\_\_

£3.06     \_\_\_\_\_

You can only use one of each coin.

**Teachers' note** Provide the children with real or plastic coins to place onto the coin outlines. The coins can be coloured using silver, brown and gold colouring pencils, if available, to reinforce these ideas with the children.
